

## TECHNICAL DATA

### Areas of use

Food processing plants, Supermarkets, Butcher shops, fish markets, Restaurants, Cafeterias, Hospitals, Health care facilities, Learning Institutions, Public areas, Restrooms, Theaters, Office buildings and Households.

### Specifications

Available Sizes.....1 gallon jugs, 5 gallon pails, 35 and 55 gallon drums  
 Physical State.....Liquid  
 Color.....Clear, Purple  
 Fragrance.....Clean aroma  
 Foaming.....Good  
 Free Rinsing.....Yes  
 Petroleum Distillate.....None  
 Phosphates.....None  
 Viscosity.....Water thin  
 Specific Gravity.....1.00  
 pH (diluted).....10.0+

### What the Pros know

To maintain peak effectiveness of this product, change your solution whenever it is cloudy or visibly soiled.

This product is a concentrated, multi-purpose germicidal, deodorant and cleaner that is proven to be virucidal, fungicidal, bactericidal and mildewstatic when diluted 4 ounces per gallon in 5% organic serum. ProSTAR D is effective against a broad spectrum of bacteria and other microorganisms including HIV-1 (AIDS Virus) and E-coli. Pleasant fragrance makes cleaning easier.

### Directions

Wear safety equipment recommended on MSDS, and read all directions and cautions prior to beginning your work.

Remove gross filth and heavy soil deposits. Dilute at 4 oz. per gallon of water for a minimum contact time of 10 minutes on single application.

Thoroughly wet surfaces as recommended and required on label. Can be applied with mop, sponge, or cloth as well as spraying or soaking. The recommended use solution is prepared fresh for each use, then discarded. Rinsing is not necessary unless floors are to be waxed or polished.

**Economical**  
Saves Money

**Versatile**  
Labor Saving

**Safe On Variety of Surfaces**  
Protects Facility Investment

**Concentrated**  
Economical

**Virucidal & Bactericidal**  
Reduces Risk of Infection
