

# Bathroom Porcelain Bowl Cleaner Limpiador de Sanitarios de Porcelana

## Technical Data

### Description

This ready-to-use, non-acid cleaner is formulated for use on all hard, non-porous surfaces and fixtures. Will not corrode fixtures like many acidic products. With its enhanced viscosity, it clings to vertical surfaces to increase contact time and improve cleaning results. Its powerful cleaners, and fresh clean scent work to eliminate odors at their source.

- Ready-to-Use ..... Convenient
- Fresh Scent ..... Pleasant to Use
- Non-Acid Formula ..... Safer Handling
- Non-Corrosive .....  
..... Reduces Risk of Damage in Facility

Recommended for regular maintenance of toilet bowls and urinals as well as wash basins, bathtubs, shower stalls, chrome fixtures, stainless steel/drinking fountains, tile, grout, and porcelain enamel.

### Where to Use

- Schools
- Hospitals
- Institutions
- Health Clubs
- Office Buildings
- Universities
- Nursing Homes
- Theaters

### Directions

Wear safety equipment recommended on MSDS, read all directions and cautions prior to beginning your work.

**TOILET BOWLS:** Apply product over entire surface to be cleaned, especially under rims of toilet bowls and urinals. Agitate with bowl mop. For heavy scale beneath water and in bottom of toilet bowl. Apply product on all scaled areas and use bowl mop to agitate. Rinse by turning on water. Repeat application if necessary.

**TILE:** Starting at the top, apply product with sprayer or squirt top liberally. Soap scum and scale will dissolve as product runs down surfaces. For heavy buildups and stains, agitate with brush. Work down to bottom and then apply to floor areas. Rinse with water.

### Specifications

Available Sizes ..... 12/32 oz.  
Physical State ..... Liquid  
Color ..... Clear, Pink/Red  
Fragrance ..... Pleasant  
Free Rinsing ..... Yes  
Petroleum Distillates ..... None  
Viscosity ..... Thin  
Specific Gravity ..... 1.015
