 Physical State ..... Liquid  
 Color ..... Orange  
 Fragrance ..... Orange  
 Foaming ..... N/A  
 Free Rinsing ..... N/A  
 Petroleum Distillates ..... None  
 Phosphates ..... None  
 Viscosity ..... >10,000 cps  
 Specific Gravity ..... 0.85  
 pH (undiluted) ..... N/A

#### Directions

Wear safety equipment recommended on MSDS, read all directions and cautions prior to beginning your work.

Shake product before use. Pre-test in an inconspicuous area before applying to gum in public areas.

Allow several minutes of dwell time, then scrape gum residues from surface. Rinse by applying a wet towel to the spot and pushing down on the spot and pushing down on it with the feet. Repeat as necessary.

#### What the Pros Know

This high percentage of d'limonene in this product speeds removal of soils. When overused or allowed to contact a surface too long, it can also have adverse effects. Always read and follow label instructions!
