

Kettle Cleaner

Limpiador de Calderos

Technical Data

Description

This powerful kettle, oven and grill cleaner contains strong alkali, detergent builders and surfactants to penetrate, emulsify and saponify soil, food, grease and carbon deposits. Concentrated for strength and economy, this product is effective in removing light to very heavy accumulations of oils, grease, food and dirt that may be found in all food serving and processing areas.

- Concentrated Economical
- Non-Fuming Pleasant to Use
- Non-Solvent Improved User Safety
- Free Rinsing Labor Saving
- Versatile Ease of Use

Specifications

Available Sizes 12/32 fl. oz.
 Physical State Liquid
 Color Clear
 Fragrance Mild Chemical
 Foaming Moderate to High
 Free Rinsing Yes
 Petroleum Distillates None
 Phosphates None
 Viscosity Thin
 Specific Gravity 1.21
 pH (undiluted) 13.9

What the Pros Know

Only apply this powerful product where you want to provide heavy-duty cleaning. Avoid over spray on glass, aluminum, etc.

Directions

Wear safety equipment recommended on MSDS, read all directions and cautions prior to beginning your work.

KETTLES: Make sure equipment surfaces are room temperature. Spray or wipe product inside kettle surface to be cleaned. If using sprayer, wear goggles and avoid getting product on face. Allow up to one minute to penetrate grease and baked on carbon. Wipe clean with cloth and rinse thoroughly with potable water before reusing kettle.

OVENS: Wear aprons, goggles and gloves. For best results warm over to 150° F. Turn oven off. Spray product liberally over all surfaces to be cleaned. Allow up to 10 minutes for product to work. Wipe and remove product and grime toward front with cloth. Rinse all surfaces with water. A second application may be needed for heavily soiled surfaces.

Non-Fuming

Non-Solvent
