pH (undiluted) 9.0

Directions

Wear safety equipment recommended on MSDS, read all directions and cautions prior to beginning your work.

UPHOLSTERY: Pre-Spot stains with REVIVE. Spray lightly over area to be cleaned. Work with brush and allow to dry. Vacuum up residue.

CARPETS: Vacuum carpet well. Treat spots with REVIVE. Spray lightly over area to be cleaned. Work with brush and allow to dry. Vacuum up residue.

What the Pros Know

Be careful to avoid over-wetting of spots or stains treated with REVIVE. By overuse of the product, the spot (particularly on carpet) can actually re-appear after removal due to the product contacting the carpet backing.

Ready to Use

Versatile- Removes A Variety of Spots
